

Upcoming Trade Shows – Germany, China and Korea

Dear Mr. Doe,

The **embedded world 2011** exhibition from 1st to 3rd March in Nuremberg (Germany) is the most important meeting place for the international embedded community. From communication modules and ASICs up to customer specific engineering services, we as Fieldbus and Real-Time-Ethernet specialists gladly advise you on the cutting-edge Hilscher embedded product portfolio (**Hall 9, Stand 419**).

Do not miss this great occasion and make an appointment with us today via e-mail sales@hilscher.com or by phone +49 (0) 6190 9907-91

Meet Hilscher worldwide, next international events are:

9th – 11th March 2011:
SIAF Guangzhou, China (Hall 1.2 - A046)

8th – 11th March 2011:
AIMEX Seoul, Korea

We look forward to seeing you.

netTAP50 – Protocol Converter to Connect TWO Industrial Networks

This low-cost and compact gateway was especially designed for price-sensitive applications. 10 different product variants convert the protocols PROFIBUS, DeviceNet, CANopen, CC-Link, PROFINET, Ethernet / IP, Modbus TCP / RTU and ASCII. Master functionality is supported to one slave. The Ethernet interface is used for configuration and diagnostics and enables remote operation in any part of a networked system.

- **Avoid connection barriers** with many potential protocol combinations:
 - Fieldbus to Ethernet (1-Port)
 - Serial to Fieldbus / Ethernet
 - **Quick and easy setup**, no programming required
 - **Best value for your money**
 - **Video-tutorial:** [Download as ZIP-file](#)
-
